

IOOF

PENSION

Product Disclosure Statement

Dated: 1 July 2021

Issuer: IOOF Investment Management Limited | ABN 53 006 695 021 | AFS Licence No. 230524
as Trustee of the IOOF Portfolio Service Superannuation Fund | ABN 70 815 369 818
Unique Superannuation Identifier: SMF0126AU

About this Product Disclosure Statement

This Product Disclosure Statement (PDS) has been prepared and issued by IOOF Investment Management Limited (IIML) ABN 53 006 695 021, AFS Licence No. 230524. IIML is the Trustee of the IOOF Portfolio Service Superannuation Fund (Fund), ABN 70 815 369 818. IOOF Pension is a pension product forming part of the Fund. The terms 'our', 'we', 'us' and 'Trustee' in this PDS refer to IIML.

Who is the IOOF group?

The IOOF group consists of IOOF Holdings Ltd ABN 49 100 103 722 and is listed in the top 200 on the Australian Securities Exchange (ASX: IFL). IIML is part of the IOOF group.

As one of the largest financial services groups in Australia, with over 170 years' experience in helping Australians secure their financial independence, the IOOF group provides services to more than 1,000,000 clients and has more than \$202 billion in funds under management and advice (as at 31 December 2020).

You can find more information about the IOOF group, director details, executive remuneration and other documents by visiting our website (www.ioof.com.au).

About the Trustee

The Trustee is a part of the IOOF group comprising IOOF Holdings Limited ABN 49 100 103 722 and its related bodies corporate (IOOF group). In fulfilling its duties as trustee, IIML has investment, service and other contracts with IOOF group companies, further details of which are set out in the IOOF general reference guide (IOF.02).

IIML is solely responsible for the content of this PDS. This PDS was prepared by IIML based on its interpretation of the relevant legislation as at the date of issue.

Contributions made to, and investments in, an IOOF Pension do not represent assets or liabilities of IIML (other than as trustee of the Fund) or any other company or business within the IOOF group.

Neither IIML, nor any other related or associated company, the fund managers providing the managed investments, service providers or the related bodies corporate of the parties mentioned, guarantee the repayment of capital or the performance or any rate of return of the investment options chosen in IOOF Pension. Investments made into the investment options in IOOF Pension are subject to investment risks and other risks. This could involve delays in the repayment of principal and loss of income or principal invested.

IIML operates IOOF Pension on the terms and conditions outlined in this PDS and in accordance with the Fund's Trust Deed. We may change any of the terms and conditions set out in the PDS at any time where permitted to do so under the Trust Deed and superannuation (super) law.

The IOOF MultiMix Trusts, IOOF MultiSeries investments, IOOF Balanced Investor Trust, IOOF Cash Management Trust, Profile Managed Investments and the Specialist funds and Strategic funds (collectively referred to as the Trusts) are operated by IOOF group companies and fees are received by the IOOF group under the Constitutions of the Trusts. These are some of the investment options offered in IOOF Pension (as listed in the **IOOF investment guide (IOF.01)**) and **IOOF investment menu**.

Investment options offered

Investment options provided in the 'Investment options offered' section of the **IOOF investment guide (IOF.01)**.

General advice warning

The information contained in this PDS is of a general nature only and does not take into account your individual objectives, financial situation or needs. You should consider the appropriateness of this information having regard to your objectives, financial situation and needs and you may want to seek advice from a financial adviser before making a decision about IOOF Pension.

Updated information

The information referred to in this PDS may change from time to time. We will inform you of any significant changes that could affect you, or other significant events which may affect the information in this PDS. Any updated information that is not materially adverse may be obtained by:

- checking our website www.ioof.com.au
- emailing us at clientfirst@ioof.com.au
- calling us on 1800 913 118

A paper copy of the updated information will be provided free of charge on request.

How to find your way around this PDS

This PDS is a summary of significant information you need to help you decide whether IOOF Pension will meet your needs. It includes references to additional important information contained in the **IOOF general reference guide (IOF.02)**, the **IOOF investment guide (IOF.01)** and the **IOOF investment menu**, each of which forms part of the PDS.

The information contained in this PDS is of a general nature only and does not take into account your individual objectives, financial situation or needs. You should consider seeking advice from a financial adviser before making a decision about IOOF Pension.

This PDS and the guides can be downloaded from our website (www.ioof.com.au) or you can contact us and we will send you a paper copy at no charge.

Key words

There may be words in this PDS and the guides you may not be familiar with. To help you understand these terms, we have defined them in the 'Key words explained' section of **IOOF general reference guide (IOF.02)**.

Introducing IOOF Pension

Why invest in an IOOF Pension?

IOOF Pension provides you with a tax effective pension in retirement and makes it very easy for you to manage your retirement goals. You can convert your accumulated super from IOOF Employer Super and IOOF Personal Super into an income stream in IOOF Pension once you reach your preservation age or meet another condition of release. In this introduction, you will find important information about IOOF Pension, including a snapshot of the key features and benefits available to help you meet your retirement goals.

IOOF Pension is an account-based pension that has a pension option to suit your needs no matter what your retirement plans. You can choose either a Retirement phase pension or a Transition to retirement (TTR) pension. An account-based pension, otherwise known as an allocated pension, is required to make a minimum payment at least annually (maximum payments only apply to TTR pensions). With an IOOF Pension account, you can select an investment strategy using one convenient administration facility.

This includes having access to:

- **Investment choice** – One impressive feature of IOOF Pension is the amount of choice offered through our low cost Core Menu and a comprehensive range of investment options from the Full Menu. The Core Menu includes IOOF's range of diversified and multi-manager trusts while the Full Menu encompassing more than 400 managed investments, a majority of the S&P/ASX 300 Index listed investments and even a selection of term deposits and fixed-term annuities (maturing investments). For further details of the investment options in the Core and Full Menu, please refer to the **IOOF investment guide (IOF.01)** and **IOOF investment menu**.
- **Competitive fees** – Our fee structure is competitive and there's no bundling.
- **Full-featured online portal** – Securely manage and view your account anytime. IOOF Online gives you and/or your financial adviser access to a range of information including your portfolio summary, record of transactions, switching, account information, statements and reports. You can access multiple accounts using a single sign-on and the same email address.

Snapshot of IOOF Pension

The following table provides a snapshot of the key features and benefits.

Investing		Page
Investment options ¹	<p>Core Menu Our simple low-cost solution consists of:</p> <ul style="list-style-type: none"> • Ready-made portfolios – IOOF's range of diversified multi-manager trusts. <p>Full Menu Provides access to a wide range of external investment options and consists of:</p> <ul style="list-style-type: none"> • Self-selected managed funds – a range of sector or asset class specific managed investments including specialist, regional and diversified funds. • Listed investments – access to the majority of the S&P/ASX 300 Index (plus any other securities approved from time to time by the Trustee). • Maturing investments - a range of term deposits and fixed-term annuities. 	6
Investment strategy	When you apply for membership in IOOF Pension you are required to make an investment choice as part of your application. If you have not made a decision about your future investment strategy, you can choose to invest in the Cash Account until you make another investment choice.	6
Cash Account	The Cash Account records all transactions related to your pension account.	9
Investment income	Investment income received from your investment options is automatically credited to your Cash Account. This income can then be re-invested using one of the following options:	9
	<ul style="list-style-type: none"> • reinvest the income back into the same managed investment • retain the income in your Cash Account. • choose to have your income re-invested into one or more managed investments. 	
Options		
Retirement phase pension	If you have met a condition of release (such as retirement after reaching your preservation age or turning age 65) you can commence a Retirement phase pension.	5

2 ¹ A listing of the eligible internal IOOF investments (Core) and all other investments (Full) can be obtained from the **IOOF investment menu**.

Investing		Page
Transition to retirement pension option	You can use the TTR pension option to commence a pension once you have reached your preservation age, regardless of your employment status.	5
Death benefit pension	You can commence a pension with the rollover of a death benefit either from another super fund or from another account within the fund.	5
Estate planning options	<p>Choose from the following estate planning options:</p> <ul style="list-style-type: none"> • Reversionary Pensioner • Non-Lapsing Binding Death Benefit Nomination • Lapsing Binding Death Benefit Nomination • Non-Binding Death Benefit Nomination. <p>Under the Reversionary Pensioner option, we are bound to pay your remaining account balance as a continuing pension to your nominated Death Benefits Dependant after your death. However, the Reversionary Pensioner may choose to make a lump sum withdrawal rather than continue to receive pension payments.</p> <p>Under the Binding Death Benefit Nomination and Non-Binding Death Benefit Nomination options, we retain the flexibility to pay your benefit as a lump sum or pension.</p>	6
Managing your pension		
Pension payment options	<p>You can choose to receive your pension payments:</p> <ul style="list-style-type: none"> • fortnightly • monthly • quarterly • half-yearly • yearly. <p>All pensions are reviewed annually on 1 July.</p>	12
IOOF Online	View your account 24 hours a day, seven days a week with secure access to your account.	8
Movement between IOOF Employer Super, IOOF Personal Super and IOOF Pension	If you are transferring your super benefit from an existing IOOF Employer Super or IOOF Personal Super account, the value of your account will not be reduced by the impact of buy-sell spreads ² if you maintain your investment options when transferring between the three divisions. Capital gains tax will not arise if you transfer any investments between the three IOOF products.	5
Fee Aggregation	You can link IOOF Personal Super and IOOF Pension accounts (conditions apply), including your own, those of immediate family members and in-laws of the immediate family. This may reduce the Administration Fee payable.	17
Minimum amounts		
Initial contribution	Minimum of \$30,000 per pension account.	5
Investment options limits ³	<ul style="list-style-type: none"> • Ready-made portfolios (Core Menu) and self-selected managed funds (Full Menu) – no minimum applies. • Listed investments – a minimum parcel of \$2,000 is required per listed investment trade. • Maturing investments (term deposits and fixed-term annuities) - \$5,000 per maturing investment. 	6
Cash Account	You are required to maintain a minimum allocation to the Cash Account of 1%.	9
Pension income	Your annual pension payments are subject to a minimum level set by the Commonwealth Government. Annual pension payments made under a TTR option are also subject to a maximum level set by the Commonwealth Government.	11
Lump sum withdrawals ⁴	No minimum applies.	13

² When you move money in or out of an IOOF Pension managed investment (including when you make a switch), you may incur a 'buy-sell spread' which is included in the unit price of the investment option you choose (see 'Transaction costs' in **IOOF general reference guide (IOF.02)** for details).

³ Investment limits apply to the proportion of your portfolio which can be held in restricted investments, annuity funds, term deposits, fixed-term annuities, and listed investments. For further information regarding these limits, see the 'Investment limits' section in the **IOOF investment guide (IOF.01)**.

⁴ Commonwealth Government regulations impose restrictions on when you can make lump sum (cash) withdrawals where you have selected the TTR pension option.

How does your IOOF Pension work?

Commencing an IOOF Pension is easy. As long as you have met a condition of release such as retiring after reaching your preservation age or turning age 65, you can make an initial contribution to your new Retirement phase pension and start receiving your pension straight away. Your initial contribution can include the transfer of benefits from IOOF Employer Super or IOOF Personal Super to IOOF Pension.

Alternatively, if you have reached your preservation age but you have not retired, you can commence an IOOF Pension using the TTR option but the amount of cash you can withdraw will be limited until you retire or reach age 65. The access rules are set out on page 6

Finally, you can transfer a death benefit from another superannuation fund or another super account within the fund and commence a new Death benefit pension. The eligibility rules for starting a new Death benefit pension are set out on page 5.

Starting your IOOF Pension

You or your spouse can make a contribution to IOOF Pension. The minimum amount you need to establish an IOOF Pension account is \$30,000.

Joining is simple. Your financial adviser may be able to complete an online application form on your behalf. Alternatively, you will need to complete an Application form located in the IOOF Pension Forms booklet (Forms booklet). You can obtain a copy of this booklet:

- from your financial adviser
- by downloading one from our website
- by calling ClientFirst on 1800 913 118.

Please forward your cheque or money order with your Application form to IOOF Pension Reply Paid 264 Melbourne VIC 8060.

The cheque should be made payable to:

IPS IOOF Pension – [your full name or account number]

If you are transferring your super benefits from another super fund, please complete the 'Request to Transfer' form located in the Forms booklet.

If you are transferring your benefit from another account within the Fund, please indicate the rollover amount on the Application form.

Your initial contribution

We can accept a wide range of contributions to commence your pension. These are:

- Personal contributions you make yourself which are not tax deductible.
- Spouse contributions made by your spouse (legal or de facto) for your benefit.

- Downsizer contributions from the proceeds of selling your family home after age 65⁵.
- Transfer of super or pension benefits from other super funds, ADF's or superannuation annuities.
- Transfers from other super or pension accounts within the Fund.
- Death benefit pensions can commence with the transfer of a death benefit from another super fund or super/pension account within the Fund.

If you commence a pension with other types of contributions (for example, you want to make tax deductible personal contribution), you will need to make this contribution to an accumulation superannuation account (such as IOOF Employer Super or IOOF Personal Super), accompanied by the Australian Taxation Office approved Notice of intent to claim or vary a deduction for personal super contributions form. Once this has been processed, you can then transfer your benefits to start a pension.

Please note, no additional contributions or transfers can be made to an existing pension account once your pension has commenced.

A new pension account and application are required if you are:

- combining pension accounts
- changing your nominated Reversionary Pensioner
- adding further contributions or transfers (including to a TTR pension).

Restrictions on contributions

You can commence your pension with transfers of benefits from other super funds or other super or pension accounts within the fund at any age. If you are making downsizer contributions, you must be at least age 65 and the maximum amount you can contribute is \$300,000.

If you are making a contribution there may be restrictions to the amount or the age at which you can make the contribution. You can make contributions under age 67, however if you wish to make a personal or spouse contribution after age 67 you must have met a work test of 40 hours of paid work over a 30-day period during the current financial year. If you don't meet the work test this financial year, but you met the work test last financial year, you can still contribute if you had less than \$300,000 in super on the previous 30 June.

Personal and spouse contributions can be received into your pension account up to age 75. A personal contribution must be received within 28 days after the end of the month in which you turn age 75. More information on making contributions to superannuation is available from the **IOOF general reference guide (IOF.02)**.

Personal and spouse contributions are non-concessional contributions and the Commonwealth Government sets an annual cap on the amount of non-concessional contributions that can be made to your super each year. Additionally non-concessional contributions cannot be made if your current super and pension benefits (total super balance) is already \$1.7 million or more. If your 'total super balance' is \$1.7 million or more any new non-concessional contributions must be refunded. For details about contribution caps and how to calculate your total super balance please refer to the **IOOF general reference guide (IOF.02)**.

Finally, a Death benefit pension can only commence with the rollover or transfer of a death benefit. No other types of contributions can be added to commence the Death benefit pension, including transfers from your own super.

Investing your initial contribution

For new members, your initial contribution is credited first to your Cash Account. This contribution (less any nominated Member Advice Fee – Upfront⁶ and applicable taxes) will be invested in accordance with your Deposit Instruction on your Application form.

Information on how your Cash Account balance is invested is contained on page 9.

For existing members, transferring from IOOF Employer Super or IOOF Personal Super to IOOF Pension is simple. You can transfer your current investment options directly into your new pension account if those investment options are available in the IOOF Pension. The value of your account will not be reduced by the impact of buy-sell spreads if you maintain your investment options, nor will it create a capital gains tax event. Please note you are required to provide a Deposit Instruction as part of your application. If you have not made a decision about your future investment strategy, you can choose to invest in the Cash Account until you make another investment choice.

You may also request your existing investment options be aligned (or re-weighted) to your new investment strategy.

IOOF Pension options

1. Retirement phase pension

This is an account-based pension that is payable when you have met a condition of release and your super benefits are unrestricted non-preserved. Earnings on investments for Retirement phase pensions are tax-free. The Government sets a limit on the amount of benefits that can be transferred into Retirement phase pensions. This limit is called the transfer balance cap and is currently \$1.7 million. Retirement phase pensions are subject to a minimum annual pension payment and you can take cash lump sum withdrawals at any time.

2. Transition to retirement (TTR) pension

This is an account-based pension that is payable if you have reached your preservation age but you haven't met a condition of release. Earnings on investments for TTR pensions are taxable at 15 per cent. TTR pensions are subject to minimum and maximum annual pension payments and cash lump sum withdrawals are severely restricted. When you meet a condition of release (such as turning age 65), your TTR pension will become a Retirement phase pension and will then be assessed under the transfer balance cap.

3. Death benefit pension or Reversionary pensions

A reversionary pension is the transfer of an existing pension to a nominated reversionary beneficiary on death of the primary pensioner. A Death benefit pension is a new pension that commences with the transfer of death benefits from another super fund or from another account within the fund (including the commutation of a Reversionary pension or a Death benefit pension). As earnings on investments are tax-free, Death benefit pensions and Reversionary pensions are treated as Retirement phase pensions and assessed under the recipient's transfer balance cap.

For details about the transfer balance cap and how it applies to Retirement phase pensions and income streams payable on death please refer to the **IOOF general reference guide (IOF.02)**.

⁶ For more information regarding the member advice fees available, refer to the 'Additional explanation of fees and costs' section of **IOOF general reference guide (IOF.02)**.

Conditions of release and commencement of your pension

Super funds can only release benefits, such as commencing an IOOF Pension or paying a cash lump sum, in certain circumstances. Benefits in super are 'preserved'⁷ until you meet a condition of release. Once you have met a condition of release, your super benefits become unrestricted non-preserved and you can commence a Retirement phase pension.

The main conditions of release are:

- permanently retiring after reaching your preservation age
- leaving employment after reaching age 60
- reaching age 65
- permanent incapacity.

Once you have reached your preservation age but have not retired, you can access your preserved benefits by commencing an IOOF account-based Pension using the TTR pension option.

Please read the 'Accessing your super' section of the **IOOF general reference guide (IOF.02)** for further information about conditions of release and preservation age

Dependants – paying benefits if you die

If you die while you are a member, super law requires we pay your Death Benefit (the remaining balance of your pension account) to one or more of your dependants and/or your estate.

Please read the 'Death Benefit Nominations' section of **IOOF general reference guide (IOF.02)** for further information about dependant nominations, how each nomination works and the available payment options.

Making investment choices

Your investment strategy

IOOF Pension provides access to a range of managed investments, listed investments, term deposits and fixed-term annuities. With so many investment options, you can construct a portfolio to help achieve your retirement goals.

Your investment strategy should be a reflection of your attitude to investing, the level of risk you are comfortable accepting and your investment timeframe.

What investment options can you choose?

You may choose from a range of investment options within the following sections:

Section	Description
Core Menu	
Ready-made portfolios	Offers you access to a spread of different asset classes designed to meet particular investment objectives. IOOF's range of diversified and single sector multi-manager trusts simplify the investment selection process by blending some of the best available managers to suit your investment objectives.
Full Menu	
Self-selected managed funds	This is where you and your financial adviser can tailor the investments to suit your investment strategy. Self-selected managed funds comprise a wide range of managed investments across different asset classes to meet particular investment objectives.
Listed investments	Majority of the S&P/ASX 300 Index (plus any other securities approved by the Trustee).
Maturing investments	Term deposits and fixed-term annuities.

Managed investments

The managed investment options available vary in risk, investment objectives (goals), strategies (ways of achieving those goals) and the types of assets in which investments are made. This allows you to invest in a range of managed investments, which may be diversified across different asset classes, fund managers and investment styles.

You can normally switch between different managed investments at any time.

We carefully research leading Australian and international fund managers before developing ready-made portfolios or choosing self-selected managed funds to be part of the investment menu. We also monitor and review the fund managers and managed investments on an ongoing basis and may add or remove managed investments from time to time.

The list of managed investment options is set out in the **IOOF investment guide (IOF.01)**. The list may change from time to time. You can obtain a list of investment options from our website (www.ioof.com.au) or request a copy free of charge by calling ClientFirst on 1800 913 118.

⁷ Benefits that are preserved also include restricted non-preserved benefits. However, restricted non-preserved benefits have an additional condition of release which is termination of employment with an employer who has contributed to the super fund.

Important note: A buy-sell spread may be incurred when switching between managed investments.

Listed investments

You have the option to invest in various listed investments through your IOOF Pension account. IOOF Pension provides you with access to the majority of the S&P/ASX 300 Index plus other listed securities approved by the Trustee from time to time. You can view the current list on our website. This list may change from time to time.

Information on how you can invest in listed investments is set out in **IOOF investment guide (IOF.01)**.

Important note: Brokerage applies to any listed investment trades (buy or sell). Refer to the Transaction costs in the 'Additional explanation of fees and costs' section of **IOOF general reference guide (IOF.02)** and the 'Investing in listed investments' section of the **IOOF investment guide (IOF.01)** for more information.

Maturing investments

Terms and conditions relating to an investment in a maturing investments (term deposits and fixed-term annuities) are contained in the relevant PDS or product guide and the 'Investing in a maturing investments' section in **IOOF investment guide (IOF.01)**.

Important note: More information about each investment option available is detailed in **IOOF investment guide and menu** the PDS issued by the fund manager for the particular managed investment and the PDS or product guide for the particular maturing investment. The information relating to investments in **IOOF investment guide and menu** may change between the time you read the PDS and the day the Application form is signed. The most recent updates appear on our website.

PDSs include information about performance, asset allocation, costs and the risks associated with investing in a particular managed investment and must be read and considered before selecting a managed investment.

Before investing, you should consider the PDS for the managed investment(s) and the PDS or product guide for any maturing investment(s) you have selected. You can obtain a copy free of charge by requesting it from ClientFirst by calling 1800 913 118 or directly from our website.

It is recommended you consider consulting a financial adviser prior to selecting the investment options that you would like to invest in.

Please note, listed investments do not have PDSs.

Investment limits apply to the proportion of your portfolio which can be held in restricted investments, annuity funds, term deposits, fixed-term annuities and listed investments. For further information regarding these limits, please read the 'Investment limits' section in **IOOF investment guide (IOF.01)**.

Default investment strategy

IOOF Pension does not have a default investment strategy. When you apply for membership of IOOF Pension, you must nominate a Deposit Instruction.

Pension options explained

IOOF Pension is a very flexible retirement product. It provides an account-based pension with a TTR pension option, increasing your financial planning alternatives as you near retirement.

How is the minimum annual pension calculated?

The Commonwealth Government has set a minimum annual payment that you must withdraw from your pension account each financial year based on your age. The minimum is a percentage of your account balance and is measured at commencement and on 1 July each year.

You are able to select any amount of pension payments above this minimum that you require (unless you have a TTR pension).

If you select 'Minimum' in the 'Pension amount' section of the Application form, the minimum level of payments as per the following table will apply to your pension for the remainder of the financial year unless you .

Note: The Government reduced the minimum pension payments account-based pensioners are required to withdraw from their accounts by 50% for the 2019/20, 2020/21 and 2021/2022 financial years. These amounts are also listed below.

Age	Default minimum drawdown rates (%)	2019/20 – 2021/22 financial years (%)
Under age 65*	4	2
65–74	5	2.5
75–79	6	3
80–84	7	3.5
85–89	9	4.5
90–94	11	5.5
95 and older	14	7

* These minimums also apply to payments made under the TTR pension option.

For Reversionary Pensioners, the minimum applying to the original pension applies for the remainder of the financial year. On 1 July, following the death of the original pensioner, the minimum pension will be calculated using the Reversionary Pensioner's age.

The percentage factor is determined by the age of the account holder on 1 July of a financial year or the date of commencement of the pension in that year as shown in the table directly above.

Selecting your annual pension payments

You can nominate your annual pension payment to be:

- your age-based minimum annual payment in the table, rounded to the nearest \$10; or
- a fixed dollar amount.

Where you nominate a fixed dollar amount, which does not meet your age-based minimum annual payment, your pension will be adjusted upwards to meet the minimum.

If you have nominated a fixed dollar amount, you can also elect to automatically index your pension by the consumer price index (CPI) or a fixed percentage each year, provided the pension meets the Commonwealth Government's regulated pension payment limits.

If your needs change, you can increase or decrease your selected pension payments at any time provided they meet the minimum annual pension payment. You can request a change to your selected pension payments at any time in writing. However, any lump sum withdrawal requests will not be treated as a change to your pension payments unless you specify otherwise.

For Reversionary Pensioners, the current pension payments will continue in your name. However, you can choose to change the current pension selection (subject to meeting the Government minimum).

Depending on your selection, your annual pension payment will change over time⁸. Please consult a financial adviser about how to select your required annual pension payment.

Important note: Your first year's pension payment amount will be reduced in proportion to the number of days between the date your pension account was established and the following 1 July, unless you request otherwise.

⁸ Depending on your investment selection, nominated level of pension payments and the amount of any lump sum withdrawals, your pension account balance may rise or fall.

Frequency of pension payments

You may elect to receive your annual pension payment as one annual payment or in instalments based on one of the following frequencies:

- fortnightly
- monthly
- quarterly
- half-yearly
- yearly

Irrespective of the frequency you select, where necessary, we will withhold any PAYG tax liability on the gross pension payment for that frequency as required by law. For more information, please read 'What taxes apply and how do they work?' section of this PDS.

We will deduct the required pension payments from your Cash Account and credit them electronically to your nominated account with a financial institution. Payments can be made on the 6th, 10th, 14th, 20th, 25th or 28th of the month for monthly, quarterly, half-yearly and yearly pension payments. For fortnightly pension payments, payment is made on Tuesday, every fortnight starting from 6 July 2021.

Fortnightly pension payments are scheduled every second Tuesday (based on a start date of 6 July 2021).

If you choose an 'annual amount paid' in fortnightly instalments, the number of payments and the payment amount you receive will vary between financial years. Alternatively, if you choose an amount per frequency paid in fortnightly instalments, your total annual pension amount will vary based on the amount of fortnights per financial year.

Transition to retirement (TTR) pension

Special rules for TTR Pensions

When you reach your preservation age you can acquire an income stream under the TTR pension option without having to permanently retire, change employment or reach age 65.

A TTR pension has the following restrictions:

- A maximum of 10 per cent of the account balance may be paid to you in pension payments each financial year. This means your nominated pension payments need to be within the minimum 4 per cent and maximum 10 per cent limits.
- Cash lump sum withdrawals can only be made if you have unrestricted non-preserved benefits, or to give effect to a Release Authority from the ATO or a payment split under Family law.
- Investment earnings are taxable at 15 per cent, on the same basis as other accumulation superannuation investments.

Once you meet a condition of release, such as retirement or turning age 65, these additional restrictions will no longer apply and your pension will transfer to Retirement phase pension. In this situation, if you have been receiving the maximum pension payment, we will convert your current annual pension payment to a fixed dollar amount and continue to pay the amount of pension until you advise us otherwise. Also your pension account will transfer to a tax-free investment environment and will therefore be assessed against the transfer balance cap.

How are the preservation components of a TTR pension option treated?

Your TTR pension can commence with preserved benefits, restricted non-preserved benefits and unrestricted non-preserved benefits. These components will retain their existing status on transfer into your pension. However, investment earnings will be allocated to the preserved component. Your pension payments and lump sum withdrawals will reduce each component in a prescribed order. Payments will be made first from your unrestricted non-preserved benefits, then from your restricted non-preserved benefits; and lastly, from your preserved benefits.

Can I commence a TTR pension and also contribute to super?

An advantage of using the IOOF Pension for TTR purposes is that the investment option(s) you choose in your IOOF Employer Super or IOOF Personal Super can normally be transferred directly into your IOOF Pension account without being redeemed and without having to incur any capital gains tax liability. On transfer, you can either retain your existing investment option(s) or provide us with new instructions to change your investment strategy.

If you choose to transfer only part of your benefit from your IOOF Employer Super or IOOF Personal Super to an IOOF Pension, a minimum balance of at least \$10,000 must remain in your IOOF Employer Super or IOOF Personal Super account to allow for further contributions to be made and to meet the cost of fees and any insurance premiums. The minimum balance may be higher where greater fees and insurance premiums are required to be paid in respect of your personal super.

Can a lump sum withdrawal be made?

Generally, you can make a full or partial cash lump sum withdrawal from your pension account at any time from your Retirement phase pension.

You can also make a partial or full withdrawal or transfer your benefit at any time:

- to a personal super or pension product in the Fund
- to a personal super or pension product in other super funds
- to purchase an annuity⁹
- to purchase a new Death benefit pension on the commutation of an existing Death benefit pension or Reversionary pension.

If you make a withdrawal, part of the withdrawal may be paid to you as a pension payment. This will apply if you have not already received the minimum pension payments specified by the Commonwealth Government for the current year and the amount remaining in your pension account after the withdrawal would be insufficient to allow the minimum level of annual payments to be made.

Withdrawal requests will be treated as a lump sum withdrawal unless you specify that the payment is a pension payment.

You can only make a partial withdrawal in cash or by transfer to another super fund if at least \$6,000 remains in your account (net of accrued liabilities). If you are making a partial transfer to another super or pension account within the Fund, the minimum balance remaining in your existing account is also \$10,000.

Fees and other costs

Consumer advisory warning

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2 per cent of your account balance rather than 1 per cent could reduce your final return by up to 20 per cent over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You or your employer, as applicable, may be able to negotiate to pay lower administration fees. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** MoneySmart website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

This document shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the superannuation entity as a whole.

Other fees, such as activity fees and advice fees for personal advice, may also be charged, but these will depend on the nature of the activity or advice chosen by you.

Entry fees and exit fees cannot be charged.

The fees quoted in this section may be different from the amounts deducted from your account. Please refer to the 'Your fees may be different' section in the **IOOF general reference guide (IOF.02)**.

Taxes are set out in another part of this document. You should read all of the information about fees and other costs because it is important to understand their impact on your investment. You can also use this information to compare the fees and costs with other pension products.

The fees and other costs for each underlying investment option offered by the entity appear on our website in the relevant PDS for each managed investment.

In certain circumstances, where it is reasonable for us to do so, we may alter the fees and costs applied to your pension account (subject to law) without your consent. However, before doing so, we will provide you with 30 days' notice of any change. We also have the right to introduce new fees. The fees quoted in this section are inclusive of GST and any applicable reduced input tax credits.

Fee Table

IOOF Pension

Type of fee or cost	Amount	How and when paid																							
Investment Fee	Nil.	Not applicable.																							
Administration Fee ¹⁰	<table border="1"> <thead> <tr> <th rowspan="2">Account balance</th> <th colspan="2">Other Investments</th> </tr> <tr> <th>Cash Account & Core Menu</th> <th>Full Menu</th> </tr> </thead> <tbody> <tr> <td>First \$250,000</td> <td>0.35% pa</td> <td>0.70% pa</td> </tr> <tr> <td>Next \$250,000</td> <td>0.25% pa</td> <td>0.50% pa</td> </tr> <tr> <td>Next \$500,000</td> <td>0.10% pa</td> <td>0.20% pa</td> </tr> <tr> <td>Next \$1,000,000</td> <td>0.05% pa</td> <td>0.10% pa</td> </tr> <tr> <td>Amounts above \$2,000,000</td> <td>0.00% pa</td> <td>0.00% pa</td> </tr> <tr> <td>Account Keeping Fee</td> <td>\$117 pa</td> <td>\$180 pa</td> </tr> </tbody> </table>	Account balance	Other Investments		Cash Account & Core Menu	Full Menu	First \$250,000	0.35% pa	0.70% pa	Next \$250,000	0.25% pa	0.50% pa	Next \$500,000	0.10% pa	0.20% pa	Next \$1,000,000	0.05% pa	0.10% pa	Amounts above \$2,000,000	0.00% pa	0.00% pa	Account Keeping Fee	\$117 pa	\$180 pa	<p>The Administration Fee is a percentage-based fee calculated daily on your account balance¹¹.</p> <p>It is charged monthly in arrears and is deducted from your Cash Account¹² at the end of each month.</p> <p>The Account Keeping Fee is the dollar-based fee charged monthly in arrears and is deducted from your Cash Account at the end of each month.</p> <p>Where you are only a member for a portion of the month, the Account Keeping Fee will be charged on a pro-rata basis.</p> <p>If you hold any investments from the Full Menu, the Account Keeping Fee for the Full Menu applies.</p> <p>If you only hold Cash and/or Core Menu the Account Keeping Fee of \$117 applies.</p> <p>If your investments change between the Cash Account, Core Menu and Full Menu during a month, the Account Keeping Fee applicable at the end of the month is taken to have applied for the whole month.</p>
Account balance	Other Investments																								
	Cash Account & Core Menu	Full Menu																							
First \$250,000	0.35% pa	0.70% pa																							
Next \$250,000	0.25% pa	0.50% pa																							
Next \$500,000	0.10% pa	0.20% pa																							
Next \$1,000,000	0.05% pa	0.10% pa																							
Amounts above \$2,000,000	0.00% pa	0.00% pa																							
Account Keeping Fee	\$117 pa	\$180 pa																							
Interest retained on Cash Account	Estimated up to 0.70% p.a. on the balance of the Cash Account ¹³ . The actual interest retained is expected to be lower.	<p>We retain a part of the interest that is earned on the Cash Account. The interest retained is the difference between the net rate of interest we credit to your Cash Account and the total interest earned in relation to pooled assets of the Cash Account.</p> <p>The rate of interest retained by us will vary depending on movements in the RBA official cash rate, the total interest we receive or credit to the Cash Account.</p> <p>Note, the target net interest rate to be credited to your Cash Account is the official cash rate set by the RBA (currently 0.10% pa).</p>																							
Buy-sell spread	The amount of any buy-sell spread will vary, depending on the managed investments you select.	<p>A buy-sell spread is added to, or deducted from (as applicable), the unit price of the relevant managed investment. The buy-sell spread that applies to each managed investment can change from time to time.</p> <p>Please refer to IOOF investment menu or the relevant investment options' PDS for specific details.</p>																							
Switching Fee	Nil.	Not applicable.																							
Advice Fees Relating to all members investing in a particular investment option.	Nil.	No advice fees will be charged unless you request us to do so. A range of advice fees are available (please refer to the 'Additional explanation of fees and costs' section of the IOOF general reference guide (IOF.02) . You should refer to your financial adviser's statement of advice for details on any agreed advice fees).																							
Other Fees and costs	Refer to the 'Additional explanation of fees and costs' section in the IOOF general reference guide (IOF.02) .																								
Indirect cost ratio	<p>No indirect cost ratio applies to listed investments and maturing investments.</p> <p>The indirect cost ratio varies across the underlying managed investments available and currently range from 0.00% to 3.42% pa¹⁴ \$0 to \$34.20 pa per \$1,000 invested excluding net transaction costs¹⁵.</p> <p>Performance related fees¹⁶ may also apply to some managed investments when the investment return generated by the fund exceeds a specific criteria or benchmark.</p>	<p>Generally calculated daily as a percentage of the amount you have invested in each managed investment. It is not deducted directly from your account but is generally incorporated into the unit price of the managed investment and generally charged monthly or quarterly in arrears. The indirect cost ratio and net transaction cost applied by each fund manager for a particular managed investment can be obtained from the IOOF investment menu and the relevant PDS for each managed investment.</p>																							

- ¹⁰ If your account balance for a product offering by the superannuation entity is less than \$6000 at the end of the entity's income year, the total combined amount of administration fees, investment fees and indirect costs charged to you is capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.
- ¹¹ Your account balance comprises your Cash Account together with the value of your investment options.
- ¹² You are required to maintain a minimum of one per cent of your pension account balance in your Cash Account. Transactions including switches, partial withdrawals and other payments (including fees) may result in your Cash Account temporarily having negative balance. If this occurs, a percentage fee equal to the daily Cash Account interest rate will be charged for each day that your Cash Account has a negative balance. This fee will reduce the interest payable for the month in which your Cash Account has a negative balance and can result in a deduction rather than an interest payment to your account.
- ¹³ The interest we retain on pooled Cash Account assets is considered an indirect cost for administering your Cash Account. It is not deducted from your Cash Account directly, but through the interest generated from its underlying investments prior to crediting the 'net' interest to your Cash Account. The interest retained is subject to change. Interest on the Cash Account noted is retained at a rate of up to 0.70% pa and is for the purpose of the example only. The actual interest retained is expected to be lower and assumes a net interest crediting rate to the cash account of 0.10% pa.
- ¹⁴ Indirect cost ratios applied by each fund manager are estimates only and based on the information provided by research providers and/or each fund manager as at the date of this PDS (for further information refer to **IOOF Investment menu**. Investment options and indirect cost ratios may change from time to time.
- ¹⁵ Please refer to the 'Transaction Costs' in 'Additional explanation of fees and costs' section of the **IOOF general reference guide (IOF.02)** for further information on net transaction costs.
- ¹⁶ Please refer to the 'Performance fees' section in 'Additional explanation of fees and costs' section of the **IOOF general reference guide (IOF.02)** for further information on performance related fees.

Example of annual platform fees and costs

This table gives you an example of how the fees and costs for accessing an investment option through this pension product can affect your investment over a one year period. You should use this table to compare the fees with other platform pension products.

Example		Balance of \$50,000
Investment Fee	Nil.	For every \$50,000 you have in the pension product, you will be charged \$0 each year.
PLUS Administration fees	Core Menu and Cash Account: 0.35% Account Keeping Fee: \$117	AND , you will be charged \$292 in administration fees.
PLUS Indirect costs for the product (assuming the product minimum of 1% is held in the Cash Account)	Cash Account: Up to 0.70% x \$500	AND , indirect costs of \$3.50 each year will be deducted from your investment.
EQUALS Cost of product	If your balance was \$50,000, and \$500 of that was held in your Cash Account then for that year you will be charged fees of \$295.50* for the product.	

* **Note:** This example only shows the fees and costs that relate to access to the investments through the pension product and not the fees and costs of the underlying investments. Additional costs may be charged by the issuers of the products that you decide to invest in. **Please refer to the example below that illustrates the combined effect of the fees and costs.**

Example of total costs for a balanced investment option

This table illustrates the combined effect of fees and costs of the pension product and the fees and costs for the IOOF MultiSeries 70 through this pension product.

Example – IOOF MultiSeries 70 investment option		Balance of \$50,000
Cost of product	From example above: \$295.50	If your balance was \$50,000, then for that year you will be charged fees of \$295.50 for the superannuation product.
PLUS Indirect costs for the IOOF MultiSeries 70 investment option	Indirect cost ratio: 0.50% Net transaction cost: 0.17%	AND , indirect costs of \$331.65 each year will be deducted from the underlying investment.
EQUALS total cost of investing in the IOOF MultiSeries 70 investment option through the pension product	If your balance was \$50,000, and \$500 of that was held in your Cash Account and you were invested in the IOOF MultiSeries 70 investment option, then for that year you will be charged total fees and costs of \$627.15* for the product.	

***Note:** Additional fees may apply.

Additional explanation of fees and costs

Further information relating to fees and costs is contained in the 'Fees and costs' section of the **General Reference Guide**.

This is an example only and the fees and costs may vary for your actual investment. For more information, please refer to the product disclosure statement of the managed investments selected by you. For further information on fees and costs set out in the Fee Table, a brief explanation about any additional transactional fees and charges that may apply to your pension account and other fees and costs, refer to the 'Additional explanation of fees and costs' section in the **IOOF general reference guide (IOF.02)**.

The fees and other costs for each underlying investment option offered by the entity, appear on our website in the relevant PDS for each managed investment.

You should read the important information about Fees and costs and the definitions of fees in the **IOOF general reference guide (IOF.02)** available on our website at www.ioof.com.au before deciding if this product is right for you. The material relating to 'Fees and costs' may change between the time when you read this PDS and the day you acquire the product

Please note that fees and costs of the platform relate to access to the investments on the list, not the costs within those investments. Additional costs may be charged by the issuers of the products that you decide to invest in.

Family Fee aggregation

Family Fee aggregation allows you to link your IOOF account(s) for the purpose of calculating the Administration Fee payable.

This can mean a reduction in the Administration Fee payable by all 'linked' members. This is another way that we can help you lower the cost of managing your investments.

Family Fee Aggregation allows you to link:

- Your IOOF Personal Super and IOOF Pension.
- Your account(s) with those of your immediate family members (as defined below in the terms and conditions) who also have accounts in the above IOOF products.

For further information and terms and conditions for Family Fee aggregation, please refer to the **IOOF general reference guide (IOF.02)**.

What taxes apply and how do they work?

This PDS provides you with some general information about the tax implications of investing in IOOF Pension, including:

- how pension payments will be taxed
- how super benefits will be taxed if a cash withdrawal is made
- how earnings will be taxed in an IOOF Pension.

The laws relating to super, including tax laws, are complex and subject to change from time to time. We recommend you obtain professional advice on the consequences before investing.

This section sets out a summary of the key taxes that affect super and pensions. If you would like more information on specific super taxation rules, please see the 'How super is taxed' section of **IOOF general reference guide (IOF.02)**.

Tax on contributions made to commence your pension

Non-tax deductible personal contributions, spouse¹⁷ contributions and downsizer contributions used to directly purchase a pension are non-concessional contributions and are not taxed when credited to your pension account. Also most rollovers and transfers into your account are not taxable, however 15 per cent tax may apply if you are transferring an untaxed element from an unfunded public sector scheme into your pension account.

Tax on Capital gains

If you commence your pension with the transfer of investment options from another IOOF super or pension product, your investment assets are not realised on transfer and therefore no capital gains tax applies.

Tax on investment earnings in your pension account

The great advantage of super is that you can grow your investments in a low tax environment and take your retirement benefits tax-free once you turn age 60.

Through your pension, you can access investment options across all asset classes and receive investment earnings into your pension account all in a low tax environment.

The tax treatment of investment earnings will depend on whether your pension is a Retirement phase pension or a TTR pension. Please see 'how super is taxed section' of the **IOOF general reference guide (IOF.02)** for more information on Tax treatment of your investment income in your pension account.

Tax on pension payments and lump sum withdrawals

When you are aged 60 and over pension payments and lump sum withdrawals are tax-free. If you are under age 60 we are required to deduct tax, depending on your age and the tax components of your benefit. See the 'How your pension is taxed' section in the **IOOF general reference guide (IOF.02)** for more detailed information regarding the tax on pension payments and lump sum withdrawals.

Tax on benefits paid as a result of death

The tax payable depends on whether the benefit is paid as a pension or a lump sum. See the 'How your pension is taxed' section in the **IOOF general reference guide (IOF.02)** for more detailed information regarding tax treatment of death benefits.

Tax file numbers

Please provide your tax file number (TFN) when acquiring this product. Under the *Superannuation Industry (Supervision) Act 1993*, the Trustee is authorised to collect your TFN, which will only be used for lawful purposes and in accordance with the *Privacy Act 1988*. It is not an offence if you choose not to provide your TFN, but providing it has advantages including:

- we will be able to accept all permitted contributions
- other than the tax that may ordinarily apply, you will not pay more tax than you need to, and
- it will be easier to find different super accounts in your name.

The Trustee requires your TFN in order to process your IOOF Pension application.

If you are aged 60 or over

You can notify us of your TFN on the Application form located in the Forms booklet. If we already hold your TFN (for example, you are transferring from another super account within the Fund) you do not have to submit it again.

If you are under age 60

You will need to complete a TFN declaration. You can obtain a copy of the TFN declaration form by calling ClientFirst on 1800 913 118 or by email (clientfirst@ioof.com.au).

Please complete this form even if we already have your TFN, as the form includes additional tax information for us to appropriately deduct tax from your pension.

¹⁷ Your spouse may be entitled to a tax offset on the spouse contribution.

Centrelink/Department of Veterans' Affairs information

The Commonwealth Government determines whether you are eligible for a Centrelink or Department of Veterans' Affairs (DVA) pension or allowance payment.

For more information see the 'How is super treated for Centrelink/Department of Veterans' Affairs purposes' section of **IOOF general reference guide (IOF.02)**.

Centrelink or DVA may require the Trustee to provide information directly to Centrelink/DVA about your pension on an ongoing basis.

General information

Cooling-off period

To ensure you are happy with your IOOF Pension, you have a 14 day cooling-off period to ensure it meets your needs. The 14 day period starts from the earlier of the date you receive your welcome letter, or five business days after your pension account has been established.

If you want to close your pension account during the 14 day cooling-off period, you must provide written notice by mail to the postal address on the back cover of this PDS.

The amount returned (if applicable) will be adjusted for any market movements in your chosen investment option(s) (up or down) up to the date we receive your notification. We will not refund taxes and reasonable transaction or administration costs incurred by us in issuing your investment (excluding the payment of any member advice fee or similar fee). As a result, the amount received may be more or less than the amount of your initial contribution.

Please note, the cooling-off period ceases to apply if you exercise your rights or powers in an IOOF Pension, such as if you make an investment switch during the 14 day cooling-off period.

If you have selected the TTR pension option, we cannot repay your initial contribution directly to you. You must nominate another complying income stream or a provider that offers a TTR pension option so your initial contribution can be transferred.

If you do not make a nomination within one month after notifying us of your intention to seek the return of your initial contribution or your nominated provider does not accept the transfer, the contribution will be retained in the Cash Account until you provide us with alternative instructions.

Your instructions to us

Please refer to the **IOOF general reference guide (IOF.02)** for information on, and the terms applicable to, sending us instructions and communications.

What are the risks?

Information relating to risks is contained in the 'More about Risks' section in the of the **IOOF general reference guide (IOF.02)**.

Managing your account

Additional information to assist you in managing your pension account is contained in the 'Managing your account' section in the **IOOF general reference guide (IOF.02)**.

Your instructions and communications

Information relating to providing instructions and communications is contained in the 'Your instructions and communications' section of the **IOOF general reference guide (IOF.02)**.

Electronic communications

Information relating to electronic communications is contained in the 'Electronic communications' section of the **IOOF general reference guide (IOF.02)**.

Keeping track of your investments

Information to assist you in keeping track of your investments is contained in the 'Keeping track of your investments' section of the **IOOF general reference guide (IOF.02)**.

Appointment of representative (financial adviser authority)

Information relating to financial adviser authority is contained in the 'Appointment of representative' section of the **General Reference Guide**.

What if you have a complaint?

If you have a complaint (or wish to obtain further information about the status of an existing complaint), please contact Customer Care on 1800 913 118 or write to Customer Care, GPO Box 264, Melbourne VIC 3001.

We will provide you with all reasonable assistance and information you may require for the purpose of making a complaint and assist you in understanding our complaints handling procedures. We aim to provide a formal response within 28 days of our acknowledgement of the complaint.

You have the option to lodge a complaint with AFCA directly rather than lodging a complaint with us. Otherwise, you can also lodge a complaint with AFCA if you are not satisfied with our response or if your complaint has not been resolved within the maximum timeframe prescribed by ASIC's Regulatory Guides (RG 165/RG 271). AFCA provide a fair and independent financial services complaint resolution that is free to consumers. Time limits may apply to complain to AFCA. Please act promptly and consult the AFCA website to find out if or when the time limit relevant to your circumstance expires.

Website: www.afca.org.au
Email: info@afca.org.au
Tel: 1800 931 678 (Free call)
Mail: Australian Financial Complaints Authority
 GPO Box 3, Melbourne, VIC 3001

Your privacy

We are committed to protecting your privacy. Any personal information we collect about you will be handled in accordance with our privacy policy, which outlines how we manage your personal information, how you may access or correct your personal information, and how you may complain about a breach of your privacy. To obtain a copy of the IOOF group privacy policy, please contact ClientFirst on 1800 913 118 or visit our website (www.ioof.com.au/privacy).

We collect your personal information from the application form you complete when applying for this product for the purpose of providing you with the products and services that you request and for related purposes, including providing you with financial advice and ongoing services in relation to your account with us, or providing information about other products and services that may be of interest to you. If you do not provide all the information requested in your application form, we may not be able to process your application.

To verify your identity for Know Your Customer (KYC) purposes, we may also solicit personal information about you from reliable identity verification service providers.

For the purpose of providing you with the products and services that you have requested, we may disclose your information to our related bodies corporate or external parties, including your financial adviser or employer, banks or other financial institutions, medical professionals, insurers, legal or accounting firms, auditors, mail houses, or when required or authorised to do so by law. It is generally unlikely that we will disclose your personal information overseas, however any overseas disclosure does not affect our commitment to safeguarding your personal information and we will take reasonable steps to ensure any overseas recipient complies with Australian privacy laws.

Anti-Money Laundering (AML) and Counter-Terrorism Financing (CTF) legislation

We are required to by law carry out proof of identity procedures before establishing a pension. These requirements arise under the AML/CTF Law.

Where you have not already provided us with appropriate identification, we will be required to collect customer identification information and to verify it by reference to a reliable independent source. You will be notified of these procedures during the application process and/or when you request a pension payment. We may also be required to collect customer identification at other times. If you do not provide the information or we are unable to verify the information, payment of benefits (including your pension) may be delayed or refused.

How do I apply?

Application procedure

Joining is simple. Your financial adviser may be able to complete an online application form on your behalf via IOOF Online. Alternatively, you can complete the appropriate Application form and any other relevant forms in the IOOF Pension Forms booklet.

You can obtain a copy of this booklet:

- from your financial adviser
- by downloading one from our website (www.ioof.com.au)
- by calling ClientFirst on 1800 913 118.
